INDEPENDENT AUDITOR'S REPORT

To the Board of Governors
Viking Fund Distributors, LLC
Minot, North Dakota 58701

We have audited the accompanying balance sheets of Viking Fund Distributors, LLC (a development stage company and a wholly-owned subsidiary of Viking Fund Management, LLC) as of December 31, 2001 and 2000 and the related statements of operations, members' equity and cash flows for the years ended December 31, 2001 and 2000 and the period since inception (March 3, 1999) through December 31, 2001, that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Viking Fund Distributors, LLC as of December 31, 2001 and 2000 and the results of its operations and its cash flows for the years and period (respectively) then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained on page 10 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 of the Securities and Exchange Act of 1934. This information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

VIKING FUND DISTRIBUTORS, LLC
(A DEVELOPMENT STAGE COMPANY AND A WHOLLY-OWNED
SUBSIDIARY OF VIKING FUND MANAGEMENT, LLC)
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2001 AND 2000

NOTE 1 - NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES

The nature of operations and significant accounting policies of Viking Fund Distributors, LLC are presented to assist in understanding the Company's financial statements.

Nature of Operations - The Company is a wholly-owned subsidiary of Viking Fund Management, LLC. The Company's primary business is as an underwriter and distributor for Viking Mutual Funds ("Trust"). The Trust is a Delaware business trust and consists of the Viking Tax-Free Fund for Montana, the Viking Tax- Free Fund for North Dakota, the Viking Large-Cap Value Fund and the Viking Small - Cap Value Fund.

Cash and Cash Equivalents are distinguished based on liquidity. Cash and cash equivalents consist of money market accounts.

Income Taxes - No provision for income taxes is required since the company is organized as a Limited Liability Company. The parent company will report the entire profit or loss of the company on its tax return. As a limited liability company the members' liability is limited.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Depreciation - The Company's fixed assets consist entirely of office equipment. These assets are depreciated on a straight line basis over their estimated useful lives (5 years).

NOTE 1 - (CONTINUED)

Deferred sales commissions - Sales commission paid to brokers and dealers in connection with the sale of shares of the Viking Mutual Funds sold at net asset value are capitalized and amortized on a straight line basis over five years. The five year period approximates the time during which deferred sales commissions are expected to be recovered from distribution plan payments received and potential contingent deferred sales charges received from shareholders of the Viking Mutual Funds. Contingent deferred sales charges received by the Company are recorded as a reduction of unamortized deferred sales commissions.

Securities available-for-sale consist of marketable equity securities. Available-for-sale securities are stated at fair value, and unrealized holding gains and losses are reported as a separate component of members' equity.

Development stage operations - Since the Company's inception (March 3, 1999) its operations have been primarily devoted to meeting regulatory administrative requirements and developing markets for its sponsored mutual funds.

NOTE 2 - RULE 15c3-3

The Company operates under the provision of Paragraph (k)(1) of Rule 15c3-3 of the Securities and Exchange Commission and, accordingly, is exempt from the remaining provisions of that Rule.

NOTE 3 - SECURITIES AVAILABLE-FOR-SALE

The Company has no securities available for sale as of December 31, 2001. The cost and approximate fair value of the Company's securities as of December 31, 2000 are as follows:

Security	2000		
	Cost	Gross Unrealized (Loss) Gain	Fair Value
Viking Tax-Free Fund for North Dakota	\$ 20,340	\$ 607	\$ 20,947
Viking Tax-Free Fund for Montana	9,001	0	9,001
Totals	<u>\$ 29,341</u>	<u>\$ 607</u>	<u>\$ 29,948</u>

The Company identifies cost based on the first-in first-out method. The total proceeds from sale of securities available-for-sale was \$76,350 and \$238,552 for the years ended December 31, 2001 and 2000 respectively.

NOTE 4 - RELATED PARTY TRANSACTIONS

As distributor for the Trust the Company had the following related party transactions.

	<u>2001</u>	<u>2000</u>
Gain (loss) on sale of securities available-for-sale	\$ 384	\$ 44
Underwriting income	\$ 22,991	\$ 12,498
Commission income	\$ 4,331	\$ 6,781

The Company's investments as disclosed in Note 3 are all in the affiliated Trust.

NOTE 5 - CONCENTRATIONS

The Company's revenues are significantly impacted and the Company is economically dependent on the underwriting fees and commissions generated from the sale of shares in the Trust.

NOTE 6 - NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). As of December 31, 2001, the Company had net capital of \$7,174 which was \$2,174 in excess of its minimum required capital of \$5,000. At December 31, 2000, the Company had net capital of \$41,958 which was \$36,958 in excess of its minimum required net capital of \$5,000. The Company's net capital ratio was 1.2 to 1 as of December 31, 2001 and .09 to 1 as of December 31, 2000.

NOTE 7 - ADVERTISING EXPENSE

Advertising costs are expensed as incurred. Total advertising expense was \$9,023 and \$5,817 for the years ended December 31, 2001 and 2000 respectively.

NOTE 8 - WORKING CAPITAL

The Company has relied on its parent, Viking Fund Management, LLC to meet its cash flow requirements. The Company and its parent company incurred a consolidated loss of approximately \$213,000 in 2001 and continued to experience certain decreases in working capital. Subsequent to year end, the parent company obtained a line of credit. Management believes that this line of credit is sufficient to meet the current operating needs of the Company and the parent company. The parent company is currently raising capital through a private placement offering. The maximum amount of this offering is \$2,000,000. Management believes that the successful completion of the offering and the funds raised will provide adequate capital for the period necessary to achieve positive cash flows.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
STRUCTURE REQUIRED BY RULE 17A-5 FOR
A BROKER - DEALER CLAIMING AN EXEMPTION FROM RULE 15c3-3

Board of Governors
Viking Fund Distributors, LLC
Minot, North Dakota

In planning and performing our audits of the financial statements and supplemental schedules of Viking Fund Distributors, LLC (the Company) for the years ended December 31, 2001 and 2000 and the period since inception (March 3, 1999) through December 31, 2001, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons.
2. Recordation of differences required by rule 17a-13.
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives.

Viking Fund Distributors, LLC
Page two

Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2001 and 2000 to meet the SEC's objectives.

This report is intended solely for the use of the Board of Governors, management, the SEC and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended and should not be used by anyone other than these specified parties.
